Education

Arka Jain University

BTech in Computer Science and Engineering.

Diploma in Computer Science and Engineering.

Jamshedpur, Jharkhand

Graduation Date: Jun 2026

Graduation Date: Jun 2023

PROJECT EXPERIENCE

ChatBot

Mar 2023 - Apr 2023

- Built a chatbot using OpenAI APIs integrated with a React UI and Node.js backend.
- Utilized open API technology to collaborate with team members on developing a group project, resulting in the completion of a fully functional application with 90% bug-free code.

Portfolio Generator

Oct 2024 – Nov 2024

- Built an online tool that allows users to create dynamic resumes and portfolios, with customizable sections to highlight their skills and achievements.
- Integrated a resume builder feature that lets users input personal information, skills, work experience, education, and more, and automatically formats it into a professional resume layout.
- Ensured full responsiveness for optimal performance across desktop and mobile devices.

SKILLS & INTERESTS

Skills: HTML, CSS, Javascript, TypeScript, Tailwind CSS, ReactJs, NextJs, NodeJs, Express, MongoDB, SCSS, Bootstrap, Git.

WORK EXPERIENCE

Tata Steel UISL

Jamshedpur, Jharkhand

Frontend-Developer

Jun 2024 - Jul 2024

- Designed and developed a user-friendly Resume Builder Website, enhancing user experience through intuitive navigation and interactive features.
- Implemented responsive design principles to ensure optimal functionality across various devices and screen sizes.

Innovate Intern

Remote

Web Developer

May 2024 - Jun 2024

- Developed ConvoMange, a real-time online conference management platform that streamlines communication and collaboration for users.
- Utilized WebRTC to enable seamless peer-to-peer audio and video conferencing, enhancing user experience with high-quality, low-latency interactions.
- Implemented a robust signaling server using Node.js and [Socket.io](#), ensuring reliable connection establishment and user session management.

Adityapur Auto Cluster

Jamshedpur, Jharkhand

Web Developer

Jul 2021 - Jul 2021

- Led the development of the WebElite website, focusing on user-centric design and functionality to enhance user engagement.
- Ensured the website was fully responsive, delivering a seamless experience across various devices, including desktops, tablets, and smartphones.
